AVCOM

The Technical Event Specialists

ALL LOCATIONS. ALL AUDIENCES. ALL CONNECTED.

Broadcast your events in full HD, giving your viewers the best quality across devices, even with limited bandwidth. From our catered Green Room available for your speakers, to our easy-to-launch streaming solutions, our team of specialists will deliver a stress-free experience.

GLITCH-FREE. NO-FAIL. SMOOTH & SECURE

You're in control - Keep your events secure by choosing who sees your video with password protection and embed permissions.

EXCITING AND IMMERSIVE

Boost viewer involvement with multiple remote presenters and our easy-to-use live engagement tools: including live Q&A, live polls, audience chat and e-mail capture.
